Plans to close Post Office

Geuda Springs fights to keep mail coming

By TERESA LEE

The Wellington News

Geuda Springs residents say plans are in the works to close their post office — and they aren't happy about it.

Residents in Geuda Springs were issued form letters from the United States Postal Service giving them 60 days notice of the closing and now residents are looking to fight the change at a meeting, tonight.

A public meeting is scheduled for 6 p.m., tonight at 206 S. 2nd in Geuda Springs to discuss a possible

closing or consolidation.

"We're working with a group that their business is to help communities that are in danger of losing their post office, so we are getting some advice from them, we have got a petition going, we are working on getting the word out to everybody to come to the meeting," said Shannon Wendt, organizer for The Committee to Retain the Geuda Springs Post Office.

Geuda Springs isn't thriving, Wendt says, but a post office closure could kill it all together.

"That post office is one of the last things we've got going for us. We have a cafe, a bar, and the co-op. We have one fellow here who runs an internet business through town, but that's the extent of our businesses. So that's a vital thing. If we are ever hoping to grow or attract new families, that post office is going to be vital to the survival of our community," said Wendt. "I understand the post office is losing money left and right but if they would get themselves together and start doing things differently than what they do

and live within their means, then they wouldn't have to be looking at shutting down all these offices."

Over 200 people live in Geuda Springs with 65 boxes of 100 boxes at the post office boxes filled at the moment.

It isn't just small communities affected by the change. Recently Mulvane and Derby considering closures.

There have been no concrete plans laid out so far, but options include fewer open days and hours to

having delivery only to moving mail to Oxford or even Arkansas City.

"So far, we haven't gotten any options...we don't think what they have picked is the best option," said Wendt. "We would like to offer them some alternatives to [consider], and maybe we couldn't be able to maintain the post office at the level that it is, but in some way have secured mail delivered on a daily basis."

"We are willing to work with the post office as far as doing something different. If we can't keep it the way it is, we are willing to work with them to do something different, but we want them to work with us as well," she said. "The major thing is we don't want it gone."

Organizer say their small-town post office is just as important or even more important than those in bigger areas.

"We're people down here just like everybody else..." said Wendt.

The larger elderly population in the area

is also a strong factor.

"We have a very large population of elderly people out here who receive medication in the mail every month. That's going to pose a problem for them. If I was getting medication through the mail, I wouldn't want it to sit alongside the road. There are a lot of factors," said Wendt. "Everyone is doing what they can to support the post office..."

The Postal Reorganization Act provides appeal rights for local citizens if the final decision is in favor of closing or consolidation. The appeal from local citizens must be in the hands of Postal Rate Commission in Washington, DC, within 30 days after the U.S. Postal Service's written determination for closing or consolidation.

Written comments may also be submitted to the local district office of the U.S. Postal Service, c/o: Mike Monnington, Manager, Post Office Operations; 6005 Lockheed Court; Omaha, NE 68119-9500.

Geuda Springs Post Office Faces Closure

A Southeast Kansas post office is in danger of closing due to financial cuts.
By Alicia Myers / KAKE, KS / April 9, 2011

A Southeast Kansas post office is in danger of closing.

Since 1877, the Geuda Springs post office has been serving dozens of families. That may soon change, if the USPS has its way.

It started with a letter, one that was mailed to every postal customer in Geuda Springs on April 5.

From the local manager of post office operations, Mike Monnington, part of the letter reads, "The postmaster retired on 11/26/08...The postmaster position is vacant, and the office has realized a steady decline in workload and customer demand the last three years."

Connie Shelton is the retired postmaster. She and the rest of the town of about 220, with 65 post office boxes, could soon be forced to drive 12 miles north to Oxford for their mail.

"It means out-of-the-way trips for a lot of people. Some people don't even go that way, or get off work and don't have time to get up there to pick up mail or sign packages," said Shelton.

Eighty-year-old Dean Richards depends on the small town's post office every few weeks for his prescriptions.

"I get my medicine from the VA, and I'd have to drive all the way to Wichita to get my medicine," said Richards.

Wyatt Swaim visits the post office daily for his internet business.

"With the internet, it runs 24/7, so I'm at this post office typically 3 times a day, so it would be inconvenient and very difficult, and wouldn't be as effective for me," said Swaim.

For 11-year-old Neil Terry, having to travel to another town is out of the question.

"Since at my age, I couldn't get to Oxford or Ark City every day to check mail, it would kind of make me sad that I couldn't get my birthday cards or important stuff I need," said Terry.

Many fear the change could force a tight-knit community to dissipate.

"This post office is the life-blood of this town. If you look around, you don't see gas stations or grocery stores. We have the post office. Without it, we have a cafeteria and the co-op. That's it," said Swaim.

Window Transaction Survey

Completed By:

RON REILLY

03/11/2011

Record the number of retail window transactions in the appropriate columns for each day. Consider a sale of stamps as one transaction. A sale of stamps and a money order are two transactions. Do not record the handing out over the counter of box mail, general delivery mail, or carrier mail. Instead of this worksheet, you may use PS Form 22007-A, Window Transaction Record; PS Form 22007-B, Window Transaction Conversion; and PS Form 22007-C, Window Transaction Survey. To obtain the average daily number of transactions, divide the total number of transactions during the survey period by the number of days in the survey. The allowable time per transaction is shown in each column in minutes. To determine the average daily workload in minutes, multiply the number of transactions in each column by the time conversion for that column, to the time conversions for all columns, and divide the total number of minutes by the number of days in the survey period.

POSTAL CUSTOMER
GEUDA SPRINGS POST OFFICE
GEUDA SPRINGS, KS 67051

Dear Postal Service Customer:

As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way your postal service is provided. The recommended change is tentative and will not lead to a formal proposal unless we conclude that it will provide a maximum degree of regular and effective service.

The Postmaster at the Geuda Springs Post Office retired on 11/26/2008. The Office is being studied for possible closing or consolidation for the following reasons: The Postmaster position is vacant and the office has realized a steady decline in workload and customer demand the last three years.

Briefly, we would like to provide pickup and delivery of your mail, as well as the sale of stamps and all other customary postal services, by rural route service emanating from the Oxford Post Office.

We estimate that carrier service would cost the Postal Service substantially less than maintaining the Post Office in your community and still provide regular and effective service. Enclosed is information about some of the services available from the carrier. Retail services are also available at the Oxford Post Office, located 10.5 miles away. Hours of service at this office are 08:30 16:30, Monday through Friday, and 08:30 10:00 on Saturday. Post Office box service is available at this location at the same fees.

I invite you to think about a possible change to rural route service. Please return the enclosed questionnaire by 04/14/2011 using the pre-addressed envelope provided or at the community meeting.

You may, of course, want to discuss this form of service with us before drawing any conclusions. Postal representatives will be at the Geuda Springs City Building on Thursday, April 14, 2011 from 7:00 pm to 9:00 pm to answer questions and provide information about our service. You may wish to discuss and submit your questionnaire at that time.

If you have any questions, you may call LeAnn Tvrdy at (402) 930-4431.

Thank you for your assistance.

Sincerely,

A handwritten signature in cursive script that reads "Michael A. Monnington".

Most of this town goes to Arkansas City to shop. seldom passing through Oxford, I would not use Oxford post office. Oxford does not have a grocery store. Probably the only time community goes to Oxford is for school functions. I do not want my address changed I went through that when changed to route. Rella Stover

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Geuda Springs Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or CBUs. Customers do not have to make a special trip to the post office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

If it is determined that a discontinuance of the Geuda Springs Post Office should be pursued, a formal proposal will be posted in the Oxford Post Office and Geuda Springs Post Office at a later date. If you have additional questions or comments, please feel free to contact LeAnn Tvrdy at (402) 930-4431.

I am Billie A. Paton a resident of the
City of Genda Springs - 206 W. Walnut P.O. Box 53
I have lived here since 1946.

I do not want to go on a mail route!
We are served great, I would like to keep it this
way. With the right person as Officer in Charge
like we have now, our Post Office would
increase in revenue.

I don't think the Rural Carrier of Oxford
would like to serve us by selling us stamps,
deliver Certificates or collecting insured packages.
If we should miss a package to be delivered
we would have to drive 12 miles to Oxford to
collect this - with nothing else to do at Oxford,
no Grocery store, no shopping - no stores at all.
This is an expensive trip.

We really need our Post Office to stay
here. The Post Office at Oxford doesn't have a Post
Master either - are they a Closing status too?

We have people (retirees & others) who have
medicine sent here from Wichita to save a trip
there, & our City mails in water samples to the state,
which should not be held over, or delayed. If
you close this P.O. you are surely not doing
us any favors.

Sincerely,
Billie A. Paton

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Geuda Springs Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You were concerned about obtaining services from the carrier, retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

If it is determined that a discontinuance of the Geuda Springs Post Office should be pursued, a formal proposal will be posted in the Oxford Post Office and Geuda Springs Post Office at a later date. If you have additional questions or comments, please feel free to contact LeAnn Tyrdy at (402) 930-4431.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Geuda Springs Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

If it is determined that a discontinuance of the Geuda Springs Post Office should be pursued, a formal proposal will be posted in the Oxford Post Office and Geuda Springs Post Office at a later date. Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Geuda Springs Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

If it is determined that a discontinuance of the Geuda Springs Post Office should be pursued, a formal proposal will be posted in the Oxford Post Office and Geuda Springs Post Office at a later date. Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Geuda Springs Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern over the dependability of rural route service. Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and

payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

Postal Service Customer Community Meeting Analysis

(categorize customer concerns as postal or nonpostal and provide the Postal Service response for each.)

Postal Concerns

1. **Concern (UnFavorable):**
Customers expressed concern about collection of outgoing mail
Response:
You expressed a concern about the collection of outgoing mail. Collection of mail will be made by the carrier when serving the route. The customer should raise the flag on the mailbox to alert the carrier that outgoing mail is to be collected from the mailbox.
2. **Concern (UnFavorable):**
Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community
Response:
You expressed a concern that the Postal Service exhibits a lack of interest in the mailing needs of the community. The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.
3. **Concern (UnFavorable):**
Customers felt the cost of postage was increasing while service was decreasing
Response:
You expressed a concern about the increasing cost of postage while service was decreasing. The Postal Service is not immune to rising costs affecting every family and business. We do not receive tax dollars to cover the cost of operations and must adjust our prices to cover our costs. The Postal Service Governors are responsible for approving prices for all Postal Service products and services. For mailing services prices, such as stamp prices, the Postal Service announces the new prices each February and they become effective each May. The Postal Regulatory Commission (PRC) reviews the new pricing for compliance with the price cap and other provisions of the Postal Act of 2006.
4. **Concern (UnFavorable):**
You were concerned about having to travel to another post office for service
Response:
You expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.
5. **Concern (UnFavorable):**
Customers felt the post office should remain open since they paid taxes
Response:
You expressed a concern that since the people of your community paid taxes the post office should remain open. The Postal Service is not supported by tax dollars and must meet expenses by revenue it generates. Operational savings for the Postal Service contributes in the long run to stable postage rates and savings for customers.
6. **Concern (UnFavorable):**
Customers questioned the economic savings of the proposed discontinuance
Response:
You questioned the economic savings of the proposed discontinuance. Carrier service is more cost-effective than maintaining a postal facility and postmaster position. The Postal Service estimates an positive annual savings.
7. **Concern (UnFavorable):**
Customers were concerned about a change of address
Response:
You expressed a concern about a change in address. Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available from the Postal Service to assist customers in notifying correspondents of the change.
8. **Concern (UnFavorable):**
Customers were concerned about a change of ZIP Code
Response:
You expressed a concern about a change of ZIP Code. The proposed change of the ZIP Code is necessary due to 911 addressing requirements.
9. **Concern (UnFavorable):**
Customers were concerned about growth in the community

Response:

You expressed a concern about growth in the community. The growth of a community does not depend on the location of a post office. Based on information obtained by the Postal Service, it was determined that there has been minimal growth in the area in recent years. Carrier service will be able to accommodate future growth.

10. **Concern (UnFavorable):**

Customers were concerned about having to travel to another post office for service

Response:

You expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

11. **Concern (UnFavorable):**

Customers were concerned about mail security

Response:

You expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

12. **Concern (UnFavorable):**

Customers were concerned about loss of employment in the community

Response:

You expressed a concern about the loss of employment in the community. The postmaster position is vacant and there is no guarantee that any replacement postmaster would be from the community.

13. **Concern (UnFavorable):**

Customers were concerned about senior citizens

Response:

You expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to. Customers do not have to make a special trip to the post office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

14. **Concern (UnFavorable):**

Customers were concerned about obtaining accountable mail and large parcels

Response:

You expressed a concern about obtaining accountable mail and large parcels. If you live less than one-half mile from the line of travel, the carrier will attempt delivery of accountable items and large parcels to the customer's residence. If the live over one-half mile away or is not home when delivery is attempted, a notice will be left in the mailbox. Large parcels will be left outside the mailbox or at a designated location or a notice will be left in the mailbox. Attempted delivery items will be taken back to the administrative Post Office. Customers may pick up the item at the post office, request redelivery on another day or authorize delivery to another party.

15. **Concern (UnFavorable):**

Customers were concerned about obtaining services from the carrier

Response:

You were concerned about obtaining services from the carrier, retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may

be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

16. Concern (UnFavorable):

Customer expressed a concern about their 911 address

Response:

You expressed a concern about your 911 address. 911 addresses are generally given by the county's 911 coordinator. The Postal Service does not establish 911 addresses. Any questions concerning your 911 address should be directed to the county's 911 coordinator.

17. Concern (UnFavorable):

Customers asked why their post office was being discontinued while others were retained

Response:

You asked why the suspended post office was being discontinued while others were retained. Post offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.

18. Concern (UnFavorable):

Customer expressed a concern about irregular hours that the rural route serves the community

Response:

You expressed a concern about irregular hours that the rural route serves the community. Our carriers strive to provide service at approximately the same time on a daily basis, however mail volumes and weather conditions often effect delivery times. If you desire special services from the rural carrier you may leave a note in your mailbox instructing the carrier to sound his horn, and then meet the carrier to receive services. Retail services may also be obtained at the administrative post office located _____ miles away.

19. Concern (UnFavorable):

Customer expressed a concern about leaving money in the mailbox

Response:

You also expressed a concern about leaving money in the mailbox. A questionnaire was sent to the postal inspection service concerning mail theft and vandalism in the suspended Post Office area. Their records indicate that there has not been any report of mail theft or vandalism in the area. However, customers may place a note in their mailboxes instructing the carrier to sound their horn when they arrive, in order to transact financial business.

20. Concern (UnFavorable):

Customer expressed a concern about package delivery and pickup

Response:

You expressed a concern about package delivery and pickup. Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport.

21. Concern (UnFavorable):

Customer expressed a concern about the inability of the rural carrier to weigh and rate letters and packages

Response:

You expressed a concern about the inability of the rural carrier to weigh and rate letters and packages. The rural carrier will accept any letters or packages for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate.

22. Concern (UnFavorable):

Customers felt the route should emanate from Arkansas City because that office is closer.

Response:

You expressed a question about where the route should emanate from. The delivery route has been carefully reviewed to ensure that the most cost-efficient service is provided. Although ?? is closer for some customers, is closer for others.

PROPOSAL TO CLOSE
THE GEUDA SPRINGS, KS POST OFFICE
AND ESTABLISH
SERVICE BY RURAL ROUTE SERVICE

DOCKET NUMBER 1364712 - 67051

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Geuda Springs, KS Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Oxford Post Office, located 11 miles away. Service may be provided to cluster box units (CBUs).

CBUs are secure free-standing units of individually locked mail compartments installed and maintained by the Postal Service at no cost to the customer. A parcel locker may also be installed.

The postmaster position became vacant when the postmaster retired on November 26, 2008. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: The Postmaster position is vacant and the office has realized a steady decline in workload and customer demand the last three years.

The Geuda Springs Post Office, an EAS-55 level, provides service from 09:00 - 12:15 - 13:00 - 16:15 Monday - Friday, 10:00 - 12:00 Saturday and lobby hours of 07:00-16:30 on Monday - Friday and 10:00-17:00 on Saturday to 61 post office box or general delivery customers and no delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 12 transaction(s) accounting for 11 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$9,935 (26 revenue units) in FY 2008; \$12,126 (32 revenue units) in FY 2009; and \$10,629 (28 revenue units) in FY 2010. There were no permit mailer(s) or postage meter customer(s).

On April 14, 2011, representatives from the Postal Service were available at Geuda Springs City Building to answer questions and provide information to customers. 38 customer(s) attended the meeting.

On April 05, 2011, 239 questionnaires were distributed to delivery customers of the Geuda Springs Post Office. Questionnaires were also available over the counter for retail customers at the Geuda Springs Post Office. 56 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 5 favorable, 11 unfavorable, and 41 expressed no opinion.

If this proposal is implemented, delivery and retail services will be provided by the Oxford Post Office, an EAS-16 level office. Window service hours at the Oxford Post Office are from 08:30 16:30, Monday through Friday, and 08:30 10:00 on Saturday. There are 1020 post office boxes available.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

1. **Concern:** Customers expressed concern over the dependability of rural route service

Response: The customer expressed a concern over the dependability of rural route service. Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day.
2. **Concern:** Customers were concerned about having to travel to another post office for service

Response: The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.
3. **Concern:** Customers were concerned about mail security

Response: The customer expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

4. **Concern:** Customers were concerned about obtaining services from the carrier
- Response:** The customer were concerned about obtaining services from the carrier, retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.
- PURCHASING STAMPS BY MAIL**
The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.
- PURCHASING POSTAL MONEY ORDERS**
Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.
- SPECIAL SERVICES**
Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.
- HOLDING MAIL**
Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.
5. **Concern:** Customers were concerned about obtaining services from the carrier.
- Response:** The rural carrier provides all the services that are available at the Post Office with the exception of PO Box service and bulk mail acceptance. This includes stamp sales, package pick up, special services and money order sales.
6. **Concern:** Customer expressed a concern about irregular hours that the rural route serves the community
- Response:** The customer expressed a concern about irregular hours that the rural route serves the community. Our carriers strive to provide service at approximately the same time on a daily basis, however mail volumes and weather conditions often effect delivery times. If you desire special services from the rural carrier you may leave a note in your mailbox instructing the carrier to sound his horn, and then meet the carrier to receive services. Retail services may also be obtained at the administrative post office located 10.5 miles away.
7. **Concern:** Customer expressed a concern about leaving money in the mailbox

Response:

The customer also expressed a concern about leaving money in the mailbox. A questionnaire was sent to the postal inspection service concerning mail theft and vandalism in the suspended Post Office area. Their records indicate that there has not been any report of mail theft or vandalism in the area. However, customers may place a note in their mailboxes instructing the carrier to sound their horn when they arrive, in order to transact financial business.

8. **Concern:**

Customer expressed a concern about package delivery and pickup

Response:

The customer expressed a concern about package delivery and pickup. Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport.

9. **Concern:**

Customer expressed a concern about the inability of the rural carrier to weigh and rate letters and packages

Response:

The customer expressed a concern about the inability of the rural carrier to weigh and rate letters and packages. The rural carrier will accept any letters or packages for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate.

10. **Concern:**

Customers asked why their post office was being discontinued while others were retained

Response:

The customer asked why the suspended post office was being discontinued while others were retained. Post offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.

11. **Concern:**

Customers expressed concern about collection of outgoing mail

Response:

The customer expressed a concern about the collection of outgoing mail. Collection of mail will be made by the carrier when serving the route. The customer should raise the flag on the mailbox to alert the carrier that outgoing mail is to be collected from the mailbox.

12. **Concern:**

Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community

Response:

The customer expressed a concern that the Postal Service exhibits a lack of interest in the mailing needs of the community. The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.

13. **Concern:**

Customers felt the cost of postage was increasing while service was decreasing

Response:

The customer expressed a concern about the increasing cost of postage while service was decreasing. The Postal Service is not immune to rising costs affecting every family and business. We do not receive tax dollars to cover the cost of operations and must adjust our prices to cover our costs. The Postal Service Governors are responsible for approving prices for all Postal Service products and services. For mailing services prices, such as stamp prices, the Postal Service announces the new prices each February and they become effective each May. The Postal Regulatory Commission (PRC) reviews the new pricing for compliance with the price cap and other provisions of the Postal Act of 2006.

14. **Concern:**

Customers felt the route should emanate from Arkansas City because that office is closer.

Response:

The customer expressed a question about where the route should emanate from. The delivery route has been carefully reviewed to ensure that the most cost-efficient service is provided. Although ?? is closer for some customers, is closer for others.

15. **Concern:**

Customers questioned the economic savings of the proposed discontinuance

Response:

The customer questioned the economic savings of the proposed discontinuance. Carrier service is more cost-effective than maintaining a postal facility and postmaster position. The Postal Service estimates an positive annual savings.

16. **Concern:**

Customers were concerned about a change of address

Response:

The customer expressed a concern about a change in address. Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available from the Postal Service to assist customers in notifying correspondents of the change.

17. **Concern:**

Customers were concerned about a change of ZIP Code

Response:

The customer expressed a concern about a change of ZIP Code. The proposed change of the ZIP Code is necessary due to 911 addressing requirements.

18. **Concern:**

Customers were concerned about obtaining accountable mail and large parcels

Response:

The customer expressed a concern about obtaining accountable mail and large parcels. If you live less than one-half mile from the line of travel, the carrier will attempt delivery of accountable items and large parcels to the customer's residence. If the live over one-half mile away or is not home when delivery is attempted, a notice will be left in the mailbox. Large parcels will be left outside the mailbox or at a designated location or a notice will be left in the mailbox. Attempted delivery items will be taken back to the administrative Post Office. Customers may pick up the item at the post office, request redelivery on another day or authorize delivery to another party.

19. **Concern:**

You were concerned about having to travel to another post office for service

Response:

The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

Some advantages of the proposal are:

1. The rural or contract delivery carrier may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Geuda Springs is an incorporated community located in Sumner County. The community is administered politically by Geuda Springs Mayor & City Council. Police protection is provided by the Sumner County Sheriff. Fire protection is provided by the Geuda Springs Volunteer Fire Dept. The community is comprised of Ag/Farm related, and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: State Line Cafe Geuda Springs Coop Jerry Hills Garage Bella Jean . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Geuda Springs Post Office will be available at the Oxford Post Office. Government forms normally provided by the Post Office will also be available at the Oxford Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customers were concerned about senior citizens
Response: The customer expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or CBUs. Customers do not have to make a special trip to the post office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
2. **Concern:** Customer expressed a concern about their 911 address
Response: The customer expressed a concern about your 911 address. 911 addresses are generally given by the county's 911 coordinator. The Postal Service does not establish 911 addresses. Any questions concerning your 911 address should be directed to the county's 911 coordinator.
3. **Concern:** Customers felt the post office should remain open since they paid taxes
Response: The customer expressed a concern that since the people of your community paid taxes the post office should remain open. The Postal Service is not supported by tax dollars and must meet expenses by revenue it generates. Operational savings for the Postal Service contributes in the long run to stable postage rates and savings for customers.
4. **Concern:** Customers were concerned about growth in the community

Response:

The customer expressed a concern about growth in the community. The growth of a community does not depend on the location of a post office. Based on information obtained by the Postal Service, it was determined that there has been minimal growth in the area in recent years. Carrier service will be able to accommodate future growth

5. **Concern:**

Customers were concerned about loss of employment in the community

Response:

The customer expressed a concern about the loss of employment in the community. The postmaster position is vacant and there is no guarantee that any replacement postmaster would be from the community.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster retired on November 26, 2008. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 27,440 with a breakdown as follows:

Postmaster Salary (EAS-55, No COLA)	\$ 23,025
Fringe Benefits @ 33.5%	\$ 7,713
Annual Lease Costs	<u>+ \$ 2,172</u>
Total Annual Costs	\$ 32,910
Less Annual Cost of Replacement Service	<u>- \$ 5,470</u>
Total Annual Savings	<u>\$ 27,440</u>

A one-time expense of \$ 3000 will be incurred for the movement of this facility.

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to close the Geuda Springs, KS Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Oxford Post Office, located 11 miles away. Service may be provided to cluster box units (CBUs).

The postmaster retired on November 26, 2008. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office workload has declined. Effective and regular service will continue to be provided by rural route service.

The Geuda Springs Post Office provided delivery and retail service to 61 PO Box or general delivery customers and no delivery route customers. The daily retail window transactions averaged 12. There are no permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a post office for service. The Postal Service will save an estimated \$27,440 annually. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with a rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Geuda Springs Post Office and Oxford Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

The final determination will contain instructions on how affected customers may appeal that decision to the Postal Regulatory Commission. Any such appeal must be received by the commission within 30 days of the posting of the final determination.

Dear Postal Service Customer:

Thank you for taking the time to submit your comments to the proposal to close the Geuda Springs Post Office. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

In response to your letter:

- Both inclement weather and heavy mail volume can cause deviations from the normal delivery schedule. However, the carrier is required to provide a vehicle of adequate size, equipped with necessary equipment (chains or snow tires, warning lights or signs, etc.) to serve the route safely and efficiently and in accordance with federal, state, and local motor vehicle laws and regulations. Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24. Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

I realize with change there is always concern. However we are confident that the alternate service listed in the proposal will continue to provide you with effective and regular service.

If you have additional questions or comments, please feel free to contact LeAnn Tvrdy at (402) 930-4431.

Optional Comment Form

Following are comments I wish to make concerning the proposed discontinuance of the GEUDA SPRINGS Post Office.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

The mail will be later. Since I work for the Post office I know the Routes out of Oxford will be coming out of Winfield starting Sept the 24th so everything will be at least 30 min. later than it is now. So this winter when the weather gets bad then it will be even later than it is now.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

It is one of the meeting places for people to find out any news of the town any one sick or if any one has died. When funerals are etc.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

Most of the people in Geuda Springs are elderly and will not be able to make it to Oxford. A lot of them go to Ark City to shop once a week, once every other week or once a month according to their checks.

Following are comments I wish to make concerning the proposed discontinuance of the GEUDA SPRINGS Post Office.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

my visit to the Post Office would be reduced from 5 times @ wk to once a wk, if our mail had to be picked up in Oxford, Kan, due to gas prices and my limited income.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

Our Community has already lost 3 businesses, we really don't need to loose another.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

I don't see why the postal carrier can't put mail in our boxes + keep the lobby open for us - so we can continue to get our mail in town.

PROPOSAL TO CLOSE
THE GEUDA SPRINGS, KS POST OFFICE
AND CONTINUE TO PROVIDE
SERVICE BY RURAL ROUTE SERVICE
(REVISED)

DOCKET NUMBER 1364712 - 67051

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Geuda Springs, KS Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Oxford Post Office, located 11 miles away. Service may be provided to cluster box units (CBUs).

CBUs are secure free-standing units of individually locked mail compartments installed and maintained by the Postal Service at no cost to the customer. A parcel locker may also be installed.

The postmaster position became vacant when the postmaster retired on November 26, 2008. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: The Postmaster position is vacant and the office has realized a steady decline in workload and customer demand the last three years.

The Geuda Springs Post Office, an EAS-55 level, provides service from 09:00 - 12:15 - 13:00 - 16:15 Monday - Friday, 10:00 - 12:00 Saturday and lobby hours of 07:00-16:30 on Monday - Friday and 10:00-17:00 on Saturday to 61 post office box or general delivery customers and no delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 12 transaction(s) accounting for 11 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$9,935 (26 revenue units) in FY 2008; \$12,126 (32 revenue units) in FY 2009; and \$10,629 (28 revenue units) in FY 2010. There were no permit mailer(s) or postage meter customer(s).

On April 14, 2011, representatives from the Postal Service were available at Geuda Springs City Building to answer questions and provide information to customers. 38 customer(s) attended the meeting.

On April 05, 2011, 239 questionnaires were distributed to delivery customers of the Geuda Springs Post Office. Questionnaires were also available over the counter for retail customers at the Geuda Springs Post Office. 56 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 5 favorable, 11 unfavorable, and 41 expressed no opinion.

If this proposal is implemented, delivery and retail services will be provided by the Oxford Post Office, an EAS-16 level office. Window service hours at the Oxford Post Office are from 08:30 16:30, Monday through Friday, and 08:30 10:00 on Saturday. There are 1020 post office boxes available.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

1. **Concern:** Customers expressed concern over the dependability of rural route service

Response: The customer expressed a concern over the dependability of rural route service. Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day.
2. **Concern:** Customers were concerned about having to travel to another post office for service

Response: The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.
3. **Concern:** Customers were concerned about mail security

Response: The customer expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

4. **Concern:** Customers were concerned about obtaining services from the carrier
- Response:** The customer were concerned about obtaining services from the carrier, retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.
- PURCHASING STAMPS BY MAIL**
The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.
- PURCHASING POSTAL MONEY ORDERS**
Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.
- SPECIAL SERVICES**
Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.
- HOLDING MAIL**
Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.
5. **Concern:** Customers were concerned about obtaining services from the carrier.
- Response:** The rural carrier provides all the services that are available at the Post Office with the exception of PO Box service and bulk mail acceptance. This includes stamp sales, package pick up, special services and money order sales.
6. **Concern:**
- Response:** Both inclement weather and heavy mail volume can cause deviations from the normal delivery schedule. However, the carrier is required to provide a vehicle of adequate size, equipped with necessary equipment (chains or snow tires, warning lights or signs, etc.) to serve the route safely and efficiently and in accordance with federal, state, and local motor vehicle laws and regulations. Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24. Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.
7. **Concern:** Customers were concerned about having to travel to another Post Office for service.

- Response:** Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.
8. **Concern:** Customer expressed a concern about irregular hours that the rural route serves the community
- Response:** The customer expressed a concern about irregular hours that the rural route serves the community. Our carriers strive to provide service at approximately the same time on a daily basis, however mail volumes and weather conditions often effect delivery times. If you desire special services from the rural carrier you may leave a note in your mailbox instructing the carrier to sound his horn, and then meet the carrier to receive services. Retail services may also be obtained at the administrative post office located 10.5 miles away.
9. **Concern:** Customer expressed a concern about leaving money in the mailbox
- Response:** The customer also expressed a concern about leaving money in the mailbox. A questionnaire was sent to the postal inspection service concerning mail theft and vandalism in the suspended Post Office area. Their records indicate that there has not been any report of mail theft or vandalism in the area. However, customers may place a note in their mailboxes instructing the carrier to sound their horn when they arrive, in order to transact financial business.
10. **Concern:** Customer expressed a concern about package delivery and pickup
- Response:** The customer expressed a concern about package delivery and pickup. Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport.
11. **Concern:** Customer expressed a concern about the inability of the rural carrier to weigh and rate letters and packages
- Response:** The customer expressed a concern about the inability of the rural carrier to weigh and rate letters and packages. The rural carrier will accept any letters or packages for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate.
12. **Concern:** Customers asked why their post office was being discontinued while others were retained
- Response:** The customer asked why the suspended post office was being discontinued while others were retained. Post offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.
13. **Concern:** Customers expressed concern about collection of outgoing mail
- Response:** The customer expressed a concern about the collection of outgoing mail. Collection of mail will be made by the carrier when serving the route. The customer should raise the flag on the mailbox to alert the carrier that outgoing mail is to be collected from the mailbox.
14. **Concern:** Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community
- Response:** The customer expressed a concern that the Postal Service exhibits a lack of interest in the mailing needs of the community. The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community

15. **Concern:** Customers felt the cost of postage was increasing while service was decreasing
- Response:** The customer expressed a concern about the increasing cost of postage while service was decreasing. The Postal Service is not immune to rising costs affecting every family and business. We do not receive tax dollars to cover the cost of operations and must adjust our prices to cover our costs. The Postal Service Governors are responsible for approving prices for all Postal Service products and services. For mailing services prices, such as stamp prices, the Postal Service announces the new prices each February and they become effective each May. The Postal Regulatory Commission (PRC) reviews the new pricing for compliance with the price cap and other provisions of the Postal Act of 2006.
16. **Concern:** Customers felt the route should emanate from Arkansas City because that office is closer.
- Response:** The customer expressed a question about where the route should emanate from. The delivery route has been carefully reviewed to ensure that the most cost-efficient service is provided. Although ?? is closer for some customers, is closer for others.
17. **Concern:** Customers questioned the economic savings of the proposed discontinuance
- Response:** The customer questioned the economic savings of the proposed discontinuance. Carrier service is more cost-effective than maintaining a postal facility and postmaster position. The Postal Service estimates an positive annual savings.
18. **Concern:** Customers were concerned about a change of address
- Response:** The customer expressed a concern about a change in address. Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available from the Postal Service to assist customers in notifying correspondents of the change.
19. **Concern:** Customers were concerned about a change of ZIP Code
- Response:** The customer expressed a concern about a change of ZIP Code. The proposed change of the ZIP Code is necessary due to 911 addressing requirements.
20. **Concern:** Customers were concerned about obtaining accountable mail and large parcels
- Response:** The customer expressed a concern about obtaining accountable mail and large parcels. If you live less than one-half mile from the line of travel, the carrier will attempt delivery of accountable items and large parcels to the customer's residence. If the live over one-half mile away or is not home when delivery is attempted, a notice will be left in the mailbox. Large parcels will be left outside the mailbox or at a designated location or a notice will be left in the mailbox. Attempted delivery items will be taken back to the administrative Post Office. Customers may pick up the item at the post office, request redelivery on another day or authorize delivery to another party.
21. **Concern:** You were concerned about having to travel to another post office for service
- Response:** The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

Some advantages of the proposal are:

1. The rural or contract delivery carrier may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Geuda Springs is an incorporated community located in SUMNER County. The community is administered politically by Geuda Springs Mayor & City Council. Police protection is provided by the Sumner County Sheriff. Fire protection is provided by the Geuda Springs Volunteer Fire Dept. The community is comprised of Ag/Farm related, and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: State Line Cafe Geuda Springs Coop Jerry Hills Garage Bella Jean . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Geuda Springs Post Office will be available at the Oxford Post Office. Government forms normally provided by the Post Office will also be available at the Oxford Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

- | | |
|--------------------|---|
| 1. Concern: | Customers were concerned about senior citizens |
| Response: | The customer expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or CBUs. Customers do not have to make a special trip to the post office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information. |
| 2. Concern: | Customer expressed a concern about their 911 address |
| Response: | The customer expressed a concern about your 911 address. 911 addresses are generally given by the county's 911 coordinator. The Postal Service does not establish 911 addresses. Any questions concerning your 911 address should be directed to the county's 911 coordinator. |
| 3. Concern: | Customers felt the post office should remain open since they paid taxes |
| Response: | The customer expressed a concern that since the people of your community paid taxes the post office should remain open. The Postal Service is not supported by tax dollars and must meet expenses by revenue it generates. Operational savings for the Postal Service contributes in the long run to stable postage rates and savings for customers. |

Response:

The customer expressed a concern about growth in the community. The growth of a community does not depend on the location of a post office. Based on information obtained by the Postal Service, it was determined that there has been minimal growth in the area in recent years. Carrier service will be able to accommodate future growth

5. **Concern:**

Customers were concerned about loss of employment in the community

Response:

The customer expressed a concern about the loss of employment in the community. The postmaster position is vacant and there is no guarantee that any replacement postmaster would be from the community.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster retired on November 26, 2008. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 27,440 with a breakdown as follows:

Postmaster Salary (EAS-55, No COLA)	\$ 23,025
Fringe Benefits @ 33.5%	\$ 7,713
Annual Lease Costs	+ \$ 2,172
Total Annual Costs	\$ 32,910
Less Annual Cost of Replacement Service	- \$ 5,470
Total Annual Savings	<u>\$ 27,440</u>

A one-time expense of \$ 3000 will be incurred for the movement of this facility.

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to close the Geuda Springs, KS Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Oxford Post Office, located 11 miles away. Service may be provided to cluster box units (CBUs).

The postmaster retired on November 26, 2008. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office workload has declined. Effective and regular service will continue to be provided by rural route service.

The Geuda Springs Post Office provided delivery and retail service to 61 PO Box or general delivery customers and no delivery route customers. The daily retail window transactions averaged 12. There are no permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$27,440 annually. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with a rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Geuda Springs Post Office and Oxford Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

FINAL DETERMINATION TO CLOSE
THE GEUDA SPRINGS, KS POST OFFICE
AND CONTINUE TO PROVIDE
SERVICE BY RURAL ROUTE SERVICE

DOCKET NUMBER 1364712 - 67051

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is issuing the final determination to close the Geuda Springs Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Oxford Post Office, located 11 miles away. Service will be provided to cluster box units (CBUs).

CBUs are secure free-standing units of individually locked mail compartments installed and maintained by the Postal Service at no cost to the customer. A parcel locker may also be installed.

The postmaster position became vacant when the postmaster retired on November 26, 2008. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office was studied for possible closing or consolidation due to the following reasons: The Postmaster position is vacant and the office has realized a steady decline in workload and customer demand the last three years.

The Geuda Springs Post Office, an EAS-55 level, provides service from 09:00 - 12:15 - 13:00 - 16:15 Monday - Friday, 10:00 - 12:00 Saturday and lobby hours of 07:00-16:30 on Monday - Friday and 10:00-17:00 on Saturday to 61 post office box or general delivery customers and no delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 12 transaction(s) accounting for 11 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$9,935 (26 revenue units) in FY 2008; \$12,126 (32 revenue units) in FY 2009; and \$10,629 (28 revenue units) in FY 2010. There were no permit mailer(s) or postage meter customer(s).

On April 14, 2011, representatives from the Postal Service were available at Geuda Springs City Building to answer questions and provide information to customers. 38 customer(s) attended the meeting.

On April 05, 2011, 239 questionnaires were distributed to delivery customers of the Geuda Springs Post Office. Questionnaires were also available over the counter for retail customers at the Geuda Springs Post Office. 56 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 5 favorable, 11 unfavorable, and 41 expressed no opinion.

When this final determination is implemented, delivery and retail services will be provided by the Oxford Post Office, an EAS-16 level office. Window service hours at the Oxford Post Office are from 08:30 16:30, Monday through Friday, and 08:30 10:00 on Saturday. There are 1020 post office boxes available.

The proposal to close the Geuda Springs Post Office was posted with an invitation for comment at the Geuda Springs Post Office and Oxford Post Office from July 29, 2011 to September 29, 2011. The following additional concerns were received during the proposal posting period:

1. **Concern:** Customers expressed concern over the dependability of rural route service

Response: The customer expressed a concern over the dependability of rural route service. Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day.
2. **Concern:** Customers were concerned about having to travel to another post office for service

Response: The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.
3. **Concern:** Customers were concerned about mail security

Response:

The customer expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

4. **Concern:**

Customers were concerned about obtaining services from the carrier

Response:

The customer were concerned about obtaining services from the carrier, retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

Docket: 1364712-67051

Item Nbr: 47

Page Nbr: 3

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

5. **Concern:**

Customers were concerned about obtaining services from the carrier.

Response:

The rural carrier provides all the services that are available at the Post Office with the exception of PO Box service and bulk mail acceptance. This includes stamp sales, package pick up, special services and money order sales.

6. **Concern:**

Response:

Both inclement weather and heavy mail volume can cause deviations from the normal delivery schedule. However, the carrier is required to provide a vehicle of adequate size, equipped with necessary equipment (chains or snow tires, warning lights or signs, etc.) to serve the route safely and efficiently and in accordance with federal, state, and local motor vehicle laws and regulations. Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24. Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

7. **Concern:** Customers were concerned about having to travel to another Post Office for service.
- Response:** Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. 8. **Concern:** Customer expressed a concern about irregular hours that the rural route serves the community
- Response:** The customer expressed a concern about irregular hours that the rural route serves the community. Our carriers strive to provide service at approximately the same time on a daily basis, however mail volumes and weather conditions often effect delivery times. If you desire special services from the rural carrier you may leave a note in your mailbox instructing the carrier to sound his horn, and then meet the carrier to receive services. Retail services may also be obtained at the administrative post office located 10.5 miles away.
9. **Concern:** Customer expressed a concern about leaving money in the mailbox
- Response:** The customer also expressed a concern about leaving money in the mailbox. A questionnaire was sent to the postal inspection service concerning mail theft and vandalism in the suspended Post Office area. Their records indicate that there has not been any report of mail theft or vandalism in the area. However, customers may place a note in their mailboxes instructing the carrier to sound their horn when they arrive, in order to transact financial business.
10. **Concern:** Customer expressed a concern about package delivery and pickup
- Response:** The customer expressed a concern about package delivery and pickup. Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport.
11. **Concern:** Customer expressed a concern about the inability of the rural carrier to weigh and rate letters and packages
- Response:** The customer expressed a concern about the inability of the rural carrier to weigh and rate letters and packages. The rural carrier will accept any letters or packages for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate.
12. **Concern:** Customers asked why their post office was being discontinued while others were retained
- Response:** The customer asked why the suspended post office was being discontinued while others were retained. Post offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.
13. **Concern:** Customers expressed concern about collection of outgoing mail
- Response:** The customer expressed a concern about the collection of outgoing mail. Collection of mail will be made by the carrier when serving the route. The customer should raise the flag on the mailbox to alert the carrier that outgoing mail is to be collected from the mailbox.
14. **Concern:** Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community

Response:

The customer expressed a concern that the Postal Service exhibits a lack of interest in the mailing needs of the community. The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.

15. **Concern:**

Customers felt the cost of postage was increasing while service was decreasing

Response:

The customer expressed a concern about the increasing cost of postage while service was decreasing. The Postal Service is not immune to rising costs affecting every family and business. We do not receive tax dollars to cover the cost of operations and must adjust our prices to cover our costs. The Postal Service Governors are responsible for approving prices for all Postal Service products and services. For mailing services prices, such as stamp prices, the Postal Service announces the new prices each February and they become effective each May. The Postal Regulatory Commission (PRC) reviews the new pricing for compliance with the price cap and other provisions of the Postal Act of 2006.

Docket: 1364712-67051

Item Nbr: 47

Page Nbr: 5

16. **Concern:**

Customers felt the route should emanate from Arkansas City because that office is closer.

Response:

The customer expressed a question about where the route should emanate from. The delivery route has been carefully reviewed to ensure that the most cost-efficient service is provided. Although ?? is closer for some customers, is closer for others.

17. **Concern:**

Customers questioned the economic savings of the proposed discontinuance

Response:

The customer questioned the economic savings of the proposed discontinuance. Carrier service is more cost-effective than maintaining a postal facility and postmaster position. The Postal Service estimates an positive annual savings.

18. **Concern:**

Customers were concerned about a change of address

Response:

The customer expressed a concern about a change in address. Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available from the Postal Service to assist customers in notifying correspondents of the change.

19. **Concern:**

Customers were concerned about a change of ZIP Code

Response:

The customer expressed a concern about a change of ZIP Code. The proposed change of the ZIP Code is necessary due to 911 addressing requirements.

20. **Concern:**

Customers were concerned about obtaining accountable mail and large parcels

Response:

The customer expressed a concern about obtaining accountable mail and large parcels. If you live less than one-half mile from the line of travel, the carrier will attempt delivery of accountable items and large parcels to the customer's residence. If the live over one-half mile away or is not home when delivery is attempted, a notice will be left in the mailbox. Large parcels will be left outside the mailbox or at a designated location or a notice will be left in the mailbox. Attempted delivery items will be taken back to the administrative Post Office. Customers may pick up the item at the post office, request redelivery on another day or authorize delivery to another party.

Concern:

You were concerned about having to travel to another post office for service

Response:

Docket: 1364712-67051

Item Nbr: 47

Page Nbr: 6

The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

Some advantages of the proposal are:

1. The rural and contract carriers may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this final determination will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Geuda Springs is an incorporated community located in SUMNER County. The community is administered politically by Geuda Springs Mayor & City Council. Police protection is provided by the Sumner County Sheriff. Fire protection is provided by the Geuda Springs Volunteer Fire Dept. The community is comprised of Ag/Farm related and those who commute to work at nearby communities and may work in local businesses.

Businesses and organizations include: State Line Cafe Geuda Springs Coop Jerry Hlls Garage Bella Jean . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Geuda Springs Post Office will be available at the Oxford Post Office. Government forms normally provided by the Post Office will also be available at the Oxford Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customers were concerned about senior citizens

Response: The customer expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or CBUs. Customers do not have to make a special trip to the post office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
2. **Concern:** Customer expressed a concern about their 911 address

Response: The customer expressed a concern about your 911 address. 911 addresses are generally given by the county's 911 coordinator. The Postal Service does not establish 911 addresses. Any questions concerning your 911 address should be directed to the county's 911 coordinator.
3. **Concern:** Customers felt the post office should remain open since they paid taxes

Response:

Docket: 1364712-67051

Item Nbr: 47

Page Nbr: 7

The customer expressed a concern that since the people of your community paid taxes the post office should remain open. The Postal Service is not supported by tax dollars and must meet expenses by revenue it generates. Operational savings for the Postal Service contributes in the long run to stable postage rates and savings for customers.

4. Concern:

Customers were concerned about growth in the community

Response:

The customer expressed a concern about growth in the community. The growth of a community does not depend on the location of a post office. Based on information obtained by the Postal Service, it was determined that there has been minimal growth in the area in recent years. Carrier service will be able to accommodate future growth

5. Concern:

Customers were concerned about loss of employment in the community

Response:

The customer expressed a concern about the loss of employment in the community. The postmaster position is vacant and there is no guarantee that any replacement postmaster would be from the community.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this final determination will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster retired on November 26, 2008. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 27,440 with a breakdown as follows:

Postmaster Salary (EAS-55, No COLA)	\$ 23,025
Fringe Benefits @ 33.5%	\$ 7,713
Annual Lease Costs	<u>+ \$ 2,172</u>
Total Annual Costs	\$ 32,910
Less Annual Cost of Replacement Service	<u>- \$ 5,470</u>
Total Annual Savings	<u>\$ 27,440</u>

A one-time expense of \$ 3000 will be incurred for the movement of this facility.

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

This is the final determination to close the Geuda Springs, KS Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Oxford Post Office, located 11 miles away. Service will be provided to cluster box units (CBUs).

The postmaster retired on November 26, 2008. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. The workload has declined. Effective and regular service will continue to be provided by rural route service.

The Geuda Springs Post Office provided delivery and retail service to 61 PO Box or general delivery customers and no delivery route customers. The daily retail window transactions averaged 12. There are no permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$27,440 annually. A disadvantage to some will be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this final determination is warranted.

VII. NOTICES

Dear Mr. Oliver,

I have never written an e-mail letter so please bear with me.

I am a bit old fashioned and do not own a computer, I do have a word processor but a top shelf in my closet. Also I am very fond of the written word. Hope you can read my least writings.

I am writing in regard to the closing of The Garden Springs, KS Post Office, Docket number 1364712-67051

I have grandchildren and other family that I often send packages for Birthdays etc. I will now have to drive 10 miles to the nearest P.O. With the high cost of gas this will be a hardship when now I can walk or walk to our P.O. We'll also have to drive to town to get stamps.

I am a letter writer and correspond with family through letters & cards. Not to mention without a computer I mail my bills.

I realize Post Offices are being closed all over in small towns and just read of a possible closing in Topeka, KS. In a large town there are several offices. We have only one. Please do not close our office.

To whom it may concern,

: Refer to Docket number 1364712-67051

I am a concerned citizen of Geuda Springs who doesn't wish to see our Post office closed. You say our mail comes out of Oxford Ks, but that isn't true as of October 22nd our mail has been coming out of Winfield Ks. which is about 22 miles away.

The carriers are to take packages or accountable mail back to Oxford which is 11 miles away. There is no reason for at least 80% of the town to go to Oxford. There is no shopping there, no lumber yards, grocery stores, or any other reason to go there. Most of the people that work work in other towns which is in the opposite direction and have no reason to go in that direction.

Where most people work they leave before the Oxford post office opens and do not get off work in time to get to Oxford before it closes.

Most of our citizens are elderly or handicapped so if you are going to close our post office I think you should let us put mail boxes up curb side door to door like you have in the past with other small towns with their post offices closed.

Thank you for your time.

Dear Sir;

Terry and Nancy Oursler, residents of Sumner county, address of Geuda Springs, APPEAL to the Postal Regulatory Commission to have understanding, consideration, and compassion in regards to the proposed closing of the Geuda Springs Kansas (67051) Post Office. We are getting along in years now and moving postal service further away will make it a hardship and more dangerous as the roads to Oxford Kansas, the next option for postal service, leaves much to be desired and is 19 miles away. If we turn our back on the people of rural America, where will that lead?

Thank you for your consideration and thoughtfulness in leaving the Geuda Springs post office open.

Arkansas City Kansas is much closer, 7 miles and if the Geuda Springs post office does happen to close, it would make much more sense to us to have our mail based out of Arkansas City. Thank you for your time.

POST REGULATORY

Office of PAGR

I am appealing the closing of our Genda Springs Post Office. Putting us on the Oxford, now seems to be Winfield Post Office - This makes things (mail) later than ever & very inconvenient. When ordering medicine that is suppose to be kept at room temperature - this makes medicine out for 5-6 hours (just) worse. I left at the Winfield Post Office - 20+ miles away - round trip 40 miles - this is an extra trip - this is not good. We do not shop at Oxford - nothing to shop for. We seldom go to Winfield. If closing our Post Office is a must, think about this -

The people here work, shop, do business, bank go to Doctors at Arkansas City, Kansas which is 12 miles away - some one could always pick up medicine or undelivered packages so much better.

Arkansas City, Kansas 67005 would be so much more convenient, if you close our Post Office

Please Consider this. Sincerely
